

THE ORCHARD

A garden at night. Moonlight.

JULIET

O Romeo, Romeo, wherefore art thou Romeo?
Deny thy father and refuse thy name.

ROMEO

(aside)
Shall I hear more, or shall I speak at this?

JULIET

'Tis but thy name that is my enemy.
Thou art thyself, though not a Montague.

ROMEO

I take thee at thy word.
Call me but love, and I'll be new baptized.
